Dress Mirrors

A normal or smart mirror can be chosen for a hidden design, so the space is used efficiently.

A narrow edged framed mirror matches the decorative cover which prevents the clothes from reaching the tracks.

Glass shelf lights

Top panel lights

Different types of down lights, strip lights, shelf lights, drawer lights and inductive lights not only offer additional illumination, but also create a happy mood in your home. Our lights are harmonious with your space, and high quality LED strips or bulbs allow long service life and low energy consumption.

Doors & Door Panels

Door panels

Door panels

The door panels offer superior heat and moisture resistance. The formaldehyde emission is less than 1.5mg/L, and it complies with European E1 and California CARB standards. It is extremely durable and easy to care. Multiple finishes can be chosen to meet your requirements.

Bar Handles

Bar handle designs have been growing in popularity, fuelled by an increasing demand for contemporary styles, minimalist looks and the need to maximise the space. We offer different types of recessed aluminium bar handles. Also, with a spectrum of colour options to choose from, we can easily create a handleless design to match your needs.

Smart Accessories

Smart dressing tables

Smart drawers

More and more smart elements have been added to a modern home. Smart accessories provide easy access to meet your needs for the modern life with a press of a button.
